PROFESSIONAL EXPERIENCE

Web Development

07/2025 – 07/2025 | India

From **1st July to 31st July 2025**, I completed a web development internship at **Shadow Fox**, where I focused on designing and developing responsive web pages using **HTML, CSS, Bootstrap**, and **JavaScript**. I actively contributed to improving UI components, ensuring cross-browser compatibility, and enhancing user experience. This internship provided me with valuable practical exposure to real-world frontend development practices and strengthened my confidence in building modern, user-friendly web interfaces.

Front End Web Development

01/2025 – 05/2025 | India

From **9th January to 9th May 2025**, I interned as a **Frontend Developer** at **Vaishnav Technologies**, where I worked on crafting interactive and responsive user interfaces using **HTML, CSS, Bootstrap**, and **JavaScript**. I collaborated with the design team to implement clean layouts, optimized website performance, and ensured mobile compatibility. This experience enriched my understanding of frontend frameworks and honed my skills in delivering polished, user-focused web solutions.
